Wye Valley Brewery

Food and Drink Experiences

Herefordshire is where real food and drink is grown and made. Look behind the scenes of cider producers, take a brewery tour, explore vineyards, make your own cakes and buns and indulge at our famous farm shops, delicatessens, markets and festivals.

Ty Gwyn Cider

Just south of Hereford City find this artisan craft cider maker who will take your group on an exclusive behind the scenes tour of this now world famous cider.

Frome Valley Vineyard

Situated close to Bromyard this distinctive vineyard offers tours of the orchards and hop yards and the chance to sample award winning sparkling and still wines. All perfectly placed in the heart of stunning Herefordshire countryside.

Rowlestone Ice Cream

Rowlestone Farmhouse ice cream embraces the diversified enterprises that have evolved on a small family run dairy farm in the foothills of the Black Mountains of Herefordshire with an ice cream parlour adjacent to the production room.

Westons Cider

Hear how cider is produced by this famous name from planting to pouring. A tour of this historic cider maker is truly unique and tastings are a must. There is also a superb restaurant where you will be spoilt for choice.

Herefordshire Food Markets

Throughout the year visit Herefordshire Farmers' and Produce Markets in our market towns and in Hereford City Centre. These markets offer the very best Herefordshire grown produce.

Oakchurch Farm Shop

"Harrods of Herefordshire" Find local produce and artisan foods. Pick your own fruit and enjoy a treat in the huge onsite cafe. A great place to combine your group visit about 20 minutes from Hereford City Centre.

Orgasmic Cider Company

The Orgasmic Cider Company is a family business & working farm based in the Wye Valley. Visit the shop and take an orchard walk (weather permitting) combined with cider & perry tasting.

Wye Valley Brewery

Situated in beautiful Herefordshire countryside, this local brewery offers tours which take you through the brewing process and include a tutored sampling session.
