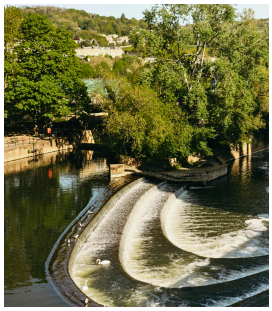
GREAT COMBO DESTINATIONS FOR RAIN OR SHINE DAY TRIPS

Brockhampton Estate & Holloways

Holloways is a must-visit for home and garden lovers that covet original salvage items as well as high quality modern pieces. Also presenting indoor and outdoor furniture, quality kitchens, ranges in sunshades and window shielding, plus an excellent café, you'll find everything to accessorize your home here. A short drive will take you to Brockhampton Estate. Traditionally a farmed estate, Brockhampton is the largest orchard cared for by The National Trust. The picturesque manor house, built 600 years ago, portrays life through the eras. The Chapel was contructed in the late 1700's to replace the now ruined Norman Chapel that is situated next to Lower Brockhampton House. You'll find a delightful courtyard eating area and a wonderful second hand bookshop.

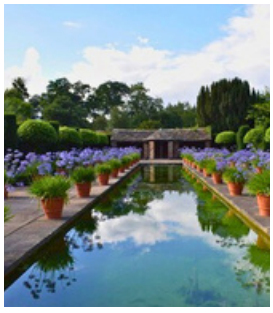
Oakchurch Farm Shop & The Weir Garden

Billing themselves as the 'Harrods of Herefordshire' Oakchurch Farm Shop is a huge emporium of gourmet goodies as well as a garden centre, fashion departments, toys, gifts and so much more. There is a restaurant where every meal is a treat and, in the Summer, enjoy their homemade ice creams. Take in the scenic short drive to arrive at the spectaular Weir Garden. Bordered by the River Wye, the Weir sits within the unspoilt Herefordshire countryside and has many historical secrets to uncover. For centuries this site has been used as a pleasure ground for fishing, boating and swimming. It is managed in a natural way to create a varied habitat for wildlife.



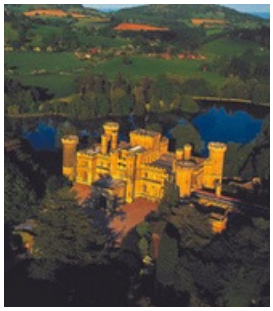
Hellens Manor & Westons Cider Mill

Known as the Jewel In The Crown of Herefordshire Homes, Hellens Manor is a Tudor/Jacobean home with an incredible tapestry of stories, charactors, art, furniture, grounds and gardens dating back to 1057. A viit here will delight history buffs and garden lovers. Herefordshire is known as Cider Country, and Westons plays a huge part in local heritage. The Westons have been making cider here for over 140 years. You can discover how this golden nectar is farmed and produced with a tour & tasting. Gain a unique insight in to the making of cider, guided by an expert. Cafe and Restaurant on site to make a full day of your visit to Much Marcle.



Hampton Gardens & Newton Court Cider

Hampton Gardens offers a magical escape with vibrant borders, a 150-year-old wisteria tunnel, a yew maze, and riverside walks. Enjoy summer events, wildlife trails, and guided tours. Families, nature lovers, and dogs are welcome. Relax at the Orangery Café with countryside views and delicious refreshments.
With easy free parking, a growing farmshop, their famous cider, and a very popular large restaurant, Newton Court Cider is a super location to shelter from the rain for a few hours with some quality, hearty food and drink all of local provenance.



Eastnor Castle & Eastnor Pottery

Still the home of the Hervey-Bathursts after 200 years, Eastnor Castle, built in Norman revival style, plays its part for authentic drama and dressing. Time your visit around their various events, or just walk the beautiful arboretum and lake, and visit the deer park. Eastnor estate is also home to Eastnor Pottery. This rustic building is where you'll find your hidden talent for making masterpieces out of clay, or perhaps just an ashtray or a plant saucer. A session here is truly unforgettable and you'll have a piece of your own artistry as a memento.
